Bee squared

Well done everyone! 3,500 packs delivered across the town!

Collection points

General feeling that seed should be collected and retained for next year rather than trying to plant it now, as although the spring was slow, we are now in mid summer. Agreed we would 'recollect' from the collection points we delivered to. Please

collect before next week's meeting. We will then tally how many we have left, and find which of us has a nice cool shed to store the seed until next year.

List below shows who took seed to which collection points.

- **Ellen** and **Sally** – please can you collect yours
- **Sally** – as Jean is away, are you able to ask someone to collect Jean's?
- **Lesley** and **Marten** – would you be able to collect Saf's? Say if that isn't possible.

Buzz on social media

- **Everyone** please to use their social media accounts to ask for people to scan the QR code or go to the website to enter their postcode or address to show that the seed has been planted. This is the link to the page where they enter their address: <https://climateactionnow.uk/groups/wycombe/wycombe-ecology/bees/ive-planted-wild-flowers/>

Lessons learned

- **Penelope** to schedule a separate meeting with those directly involved (when Jean is back from holiday)

PPE recycling

- **Lesley** to look at this link, and then talk to her Fire Authority colleagues to see if this is a good idea or not, and report back next week: <https://www.reworked.com/product/ppe-recycling-box-face-mask-covid-waste/>

Tree planting

- **Fay** to follow up with Alastair Cunningham at Bucks Council on the Government's Urban Tree Challenge Fund and on the Platinum Jubilee planting, and see what is in hand and what WE might do to help.
<https://www.gov.uk/government/news/44000-trees-to-be-planted-as-urban-tree-challenge-fund-reopens>

Litter picking

- **Kara** to look at this website and see what has been registered locally, and what is planned for September. Great British Spring Clean:
<https://www.keepbritaintidy.org/get-involved/support-our-campaigns/great-british-spring-clean>
- **Penelope** to draft an email for **Lesley** to send to all High Wycombe ward councillors asking them to share information on litterpicks that they know take place in their area, so that we can identify gaps.

Next Project: Repair Café

No discussion about the next project – a repair café it is! Lots of questions about where would be good, how it works, what about big kit to be repaired that needs to be brought by car etc etc

- **Maddy** to be the WE lead on this, to report back next week, and share out jobs.
- **Penelope** is going to put **Maddy** (and thinking about it after the meeting) **Nigel** in touch with Jacq Ford at Bucks Council, and someone at Transitions Towns Marlow

AOB

- Regular monthly clash with Ed Gemmell's Hazlemere Climate Action Talks (first Monday of every month at 6.00). Agreed we'd start 6.45 on those days.
- **Lovely new people** – please drop Penelope an email saying you are happy for your email to be used for WE coordination and shared with the group
- Whatsapp group – please let Penelope have your number – by doing so it is taken that you have agreed to go on the group and for others to have your number.
