Meeting ID: 875 7082 6940

Passcode: 773935

Litter picking this Sunday

Taking place this Sunday morning, meeting at the Parish Church 11.15 for 11.30

Action

- **Arif** kindly agreed to go to Rangers on Friday and collect kit, bring to the Church on Sunday, and return to Rangers on Monday.
- **Holly** to post something on Facebook please.
- **Penelope** to let BidCo know.

FoE COP Day 6 November

Steve has about 8 Friends of the Earth and perhaps 4 others, and is hoping to keep it going all day. We are planning a market stall in support

Action

- **Maddy** to book market stall

Wycombe Sound

Maddy has spoken to John Shaw and he's keen. Maddy has also spoken to BNU to do the curating side, slowly getting there. It's a 3 hour show, but that means 3 pieces of content, one an hour, the rest is music. The slot is currently being covered by the shows on either side being extended. Need to have more than one person available to present – once a month sounded like a good balance between not too much of a commitment and getting 'into' the project.

Action

- **All** to send ideas on what can be covered to Maddy
- **Ed** to put Maddy in touch with Dora Hargitai at Marlow.

Network of networks

Carry forward to next week

Repair Café,

Bucks-wide session (without Andrew Jenkins from the Council as his second baby arrived early!) Getting to know one another. Lots of useful lessons so far. Agreed another meeting quite soon, to discuss publicity, and then probably quarterly meetings, to share ideas and processes. We are doing as well as anybody else.

Maddy has managed to get BNU to post our opportunity... Maddy has just done a presentation to all the lectures on the media courses to run the website and the social media, gone out to the uni.

Long discussion on PAT testing 'to test or not' – different views across Bucks. Hazlemere Parish feel it is essential. Jenny does PAT testing for the Uni's upcycling scheme – only says if it's safe, not if its working.

Hazlemere Repair Café starts this weekend on 23rd in the community centre – please call by for a cup of coffee – so long a there is enough use of the café, the Repair Café can have the centre without charge!

Actions

- **Maddy** to **Tracey** and **John** in touch about hosting sites. Need to follow up. Green company.
- **Maddy** to send **Penelope** the insurance documentation to check for what they say about PAT testing

Big Bucks Tidy Up / Adopt a patch

Confused why local people would pay £430 to 'adopt a patch'?

Action

- **Arif** to feed back.

Design Code

Opportunity to say what we want for the environment?

<https://www.buckinghamshire.gov.uk/news/help-us-create-a-design-code-for-buckinghamshire/> Come back to this next week.

Solar streets

Ellen has put Marten Clark and Bucks Community Energy in touch. Ellen took some leaflets to the library, but she was told because it involves a private company, even though it's a Community Board initiative, they can't take the leaflets

Action

- **Arif** to go and talk to the library

Recycling

Hazlemere teracycle scheme similar to 'Jos recycling'

<https://www.facebook.com/JosRecyclingHW/> See if we can link into this. Put back on future agenda.

Action

- **All** to look at Jo's recycling

Bee Squared

Steve reported that Chepping Wycombe Parish is in favour of doing this as part of the Community Board project. Not sure where that has got to. Phil has offered to be part of Bee Squared for next year in Wycombe, but needs some other people! Put on agenda next week.

Queen's Green Canopy

Anyone interested in picking up a project on this? Pop back on next week's agenda.

Wycombe Resource Zone

Wycombe Environment Centre will be having a board meeting on 2nd November, at which, it is hoped, new trustees will be co-opted and it will become the vehicle to receive the resource zone and use that as a catalyst for other activities.

Dates of next meetings etc.

- 24 October Litter picking 11.15 for 11.30
- 25 Oct 6.30 WE, and then 1 (6.45), 8, 15, 22, 29 November.
- 6 November in the morning Market Stall
- 13 November Repair Café, 10 – 1.
