

WE Actions 14 February 2022

Links at end of notes for googledrive, the zoom meeting link and the website for notes.

For the next 4-6 weeks we will focus only on...

...Bee Squared

Bid

Jean has put in a bid for £3k, with £1k to come from sponsorship.

- **Note for next week** – we need to discuss ideas for getting the sponsorship.

Printing

Jean has had some quotes back from South Bucks printing. There is not a lot of difference in price between the leaflets, and printing on A5 envelopes (colour one side, b/w the other). Agreed that we would go with printing on the envelopes as it makes packing so much quicker. Suggestion that people could download a bee to put in their window when they register on-line that they've planted the seed.

- **Jean** to circulate the printing costs to everyone
- **Note for next week** – need to review website and see if it is working.

Seed

Not sure where Hazlemere has got to with seed order.

- **Penelope** to find out where Hazlemere is at, and also enquire of the seed people if you need special 'seed proof' envelopes, and if so, what costs.

Packing

Agreed we would pack in the Church on 12th March, alongside the next repair café. We may hope to have 12-25 people. Need to have some other activity in mind in case for some reason we get lots of people.

- **Jean** to put together a flyer that we can use for publicity, and then
- **Jenny** to spread the word at the university
- **Penelope** to contact the schools again
- **Penelope** to contact Stephanie at BFP
- **All** to generally publicise it.
- **Everyone** to bring
 - One friend (who can go home again if we find we have other volunteers!)
 - 4 or 5 5ml scoops
 - 4 or 5 small bowls

Distribution

We'll use collection stations, some house to house delivery, and 'bulk supply' to schools. Need to find out from Maddy and Jean if Micklefield wants to be a focus for house to house delivery. For collection stations, we had some last year – we can try them again, and approach faith groups, schools etc.

- **Penelope** to dig out the collection station information so we can discuss next time.
- **Arif** offered town centre takeaways as last year
- **Hugh** has said the Church Council has agreed to the church being available

Future dates

- Every Monday 6.30 WE
- 27 February litter pick
- 12 March repair café and seed packing
